Theses scare attractions will place all brave visitors straight into their own horror movie:

Wax Museum – Traumatic Tales
A place where old friends, as well as many new characters, lurk in a terrifying museum. Lovingly cast

in wax for all eternity, terrifying grimaces peer from every corner. To get away safely, you'll need a keen instinct, or the merciless truth behind the masks may be revealed.

Last Stand
Not every member of the Resistance was taken down by the Rotters. Some managed to escape underground to prepare for a counterattack. But they need volunteers to join their task force to defeat the Rotter in order to gain the superiority they need. Here, armed with a laser pistol, you can join with the last Resistance survivors and defend yourself with all your might.

Unknown
There is only one way to find out what lies beyond the unknown: go on a journey of discovery!

Tarot House - Coven
What does the future hold? Rainbows and cotton candy or jet black cats crossing the street from the left? Anyone entering this house will look their fate in the eye and relentlessly experience whatever happiness or misfortune lies ahead for them. Madame Monroe is stronger than ever, and this time she's not alone.

Skin Deep - Backstage
Discover perfect beauty in this macabre collection, where beauty is certainly in the eye of the beholder. Gentle curves that are sensual, elegant - or dripping with blood, sinewy and pale? Skin Deep gets under the skin, displaying a variety of body parts. And the abominable curators are constantly on the hunt for the next piece for their collection.

Grim's Funhouse - Showtime
Always joking around with their red noses, colourful clothes and unkempt hairstyles; it's the clowns! Their jokes will have you dying with laughter. While Grim and his silly friends guarantee that if you survive, your visit to their funhouse will never be forgotten. Rehearsals are over, it's showtime!

Petting Zoo – Family Reunion
Welcome to the family! This year, there's a wedding at the Petting Zoo. As a guest of honour, you are as always greeted in a friendly manner, but upon closer inspection, something doesn't seem quite right about this celebration.
