Stars and newcomers hand in hand: The fourth Broadway Dreams Camp at the Europa-Park Resort

April 3, 2023

This summer, the highly successful 'Broadway Dreams Camp' travels from America to the Europa-Park Talent Academy and Germany's largest theme park. Thanks to Katja Mack, this year the unique partnership with the world-famous Broadway Dreams Foundation enters a new round: For the fourth edition of the 'Broadway Dreams Camp', selected participants from all age groups of 9 years and up will once again have the opportunity to train with true show business greats - unforgettable experiences are guaranteed from 27th August to 2nd September 2023. The prominent performers impart their valuable expertise and knowledge of musicals, drama and theatre in unique ways. Anyone interested in Broadway Dreams can register for the Camp until 14th August 2023.

An absolute highlight of the one-week musical theatre intensive course is the spectacular final show on 2nd September 2023, where newcomers are able to present their skills alongside the famous Broadway Dreams Celebrities from New York in the Europa-Park Teatro. Among the audience are popular producers and Broadway pundits who are always on the lookout for new talents. Following the performance, the artists and thrilled audience can look forward to a colourful After-Show party in the unique ambience of the Bar Colosseo, situated in the 4* superior hotel of the same name at Europa-Park.

In 2018, Katja Mack and her team successfully launched the partnership between the non-profit organisation Broadway Dreams Foundation, the Europa-Park Talent Academy and Europa-Park. This summer, for the fourth time, selected talents will be able to attend a week of workshops with Broadway celebrities. Tickets for the unforgettable show experience will be available from the beginning of June via the Europa-Park ticket shop or by calling the ticket line on 07822 77-6688.
