

Pure relaxation in the wellness area of Europa-Park Resort

The perfect start to the new year

Pure Relaxation at the Europa-Park Hotels

November 24, 2023

In Germany's largest hotel resort, wellness and enjoyment are a big part of the programme from January to March 2024. From 8th January to 22nd March 2024, Europa-Park's own 4* superior hotels will pamper their guests with a range of exclusive offers. At the Rulantica water world there are also plenty of opportunities to start the year well, with several great highlights awaiting guests. Wellness, water fun and culinary indulgence form a great combination, offering guests the opportunity to recharge their batteries and relax.

Restful nights

The 4* superior themed hotels of Europa-Park offer something for every taste. Guests can enjoy their overnight stay in the museum hotel 'Krønasår', in

some cases with a view of the Rulantica themed water world and experience a uniquely beautiful and 'Hygge' time in 276 lovingly-themed rooms and 28 suites. Those looking for something particularly exclusive, will find what they are looking for in the

eleven 'Krønasår Boutique Suites'. The luxurious Premium Suites ensure unforgettable hours with direct access to the 160m² infinity pool.

If visitors want to experience Mediterranean *la dolce vita* during the winter months, they can relax in the lovingly-designed hotel 'Colosseo'. During an overnight stay at the 'Bell Rock' hotel, guests follow in the footsteps of the pilgrim fathers and explorers of America. The 'Santa Isabel' hotel, built in the style of a Portuguese monastery, is open from 8th January to 22nd March 2024 from Friday to Sunday, and is the perfect retreat for anyone looking for peace and inspiration.

Wellness to the power of three

A diverse range of wellness and spa offers await the guests in the Europa-Park hotels across an area of 3,400m², with extensive pool and sauna areas that are authentic and lovingly-themed. Whether visitors wish to relax with a hot stone massage, let their skin be cared for with a gentle peeling or enjoy being together in the pampering bath - the first-class treatments promise pure relaxation and offer an all-round wellness program for body and mind. In addition to the use of the exclusive pool and sauna areas, fitness is certainly not forgotten at Europa-Park. The 'New England' fitness & spa area in the 'Bell Rock' hotel is very popular. In the 'Boston Red Sox', endurance athletes and fans of fitness classes aged 16 and up can really get their money's worth. Hotel guests can also use the varied courses offered by the Europa-Park TALENT ACADEMY and the fitness area in the 'Krønasår' hotel.

If guests want to briefly escape the stress of everyday life, it is worth spending a 'cuddly winter day' in the wellness and spa areas of the 'Colosseo' or 'Santa Isabel' hotels. With an extensive gourmet breakfast paired with a foot and leg massage and a facial mask, day guests can feel imperial like Caesar and beautiful like Cleopatra in ancient Rome.

Romantic hours for two

During the low season, the Europa-Park Hotels await visitors with tempting accommodation arrangements such as 'Enjoy time for two': It begins with a sparkling aperitif, followed by a 4-course dinner. The themed double rooms promise wonderful nights' rest. Guests can feast to their heart's content at the rich breakfast buffet, and also have the opportunity to use the sauna and pool areas across the hotel.

Fun with friends

With the 'Friends Special', four friends can stay in a cosy room in the 4* superior hotels 'Colosseo', 'Bell Rock' or 'Krønasår' and enjoy a relaxing short holiday together, with a welcoming bottle of sparkling wine.

The 'Clique Special' ensures even more fun! As a group, guests of up to four people can experience a wonderful overnight stay and an action-packed day in the Rulantica water world. The ticket already includes access to the exclusive 'Hyggedal' relaxation and sauna area.

Culinary delights

All-round culinary pleasure is available with full board. In addition to an exquisite 4-course menu including an aperitif, guests in the hotels 'Colosseo', 'Bell Rock' and 'Krønasår' receive a small lunch as well as coffee and cake.

Fans of the crispy classic will get their money's worth with 'Spare Ribs Galore', while 'Tapas Total' will get Spanish hearts racing. At 'Vino & Formaggi – The Inseparables', chef Raffaele Cannizzaro, sommelier Vincenzo De Biase, together with affineur Eros Buratti, skilfully showcase the cheese specialties from Piedmont.

Gourmets are sure to find what they're after with the 'Ammolite Gourmet Arrangement' with a 6-course gourmet menu in the 2* Michelin restaurant

'Ammolite - The Lighthouse Restaurant', which can be enjoyed with all the senses. Afterwards they can sleep blissfully in the beds of the 4* superior hotel 'Bell Rock'.

At 'Mix'n'Taste by Colosseo', tastebuds will be pampered. With the motto 'Do it yourself!', participants learn some great tricks and tips to create their own cocktail, all under the guidance of the bar team at the 'Colosseo Bar'.

Connoisseurs who want to enjoy an evening full of stylish cuisine and learn the fine art of table manners have the opportunity to do so at 'Knigge invites you to the table – The Knigge event'. The friendly etiquette trainer Betül Hanisch from 'Almost perfect' offers tips on the perfect behaviour to conduct while eating, not just in a theoretical course, but during a 4-course menu with delicious specialties.

Rulantica combines action and relaxation for everyone

Europa-Park's water world offers water fun for the whole family. Whether in free fall, in a slide duel with friends or in a tube on the halfpipe, Rulantica guarantees action, adrenaline and adventure, even in winter. In the interactive water roundabout Tønnevirvel, which is covered over and hated in winter, families can enjoy fun in the water all year round.

The 'Skog Lagoon' inside the water world and the heated outdoor pool 'Frigg Tempel' with the two swim-up bars as well as the lounge area in the 'Nordiskturn' offer relaxation for adults. Numerous lounging and seating options invite you to linger in the 'Lågerhus' and 'Stillhet Loft'. In the new 'Nordiskturn' area, fun is guaranteed as visitors engage in some competitive sliding: the highlight of the 30-metre-high tower is Europe's biggest speed slide 'Vikingsløp', built atop a sparkling gemstone mine.

Pure relaxation and luxury in the water world

A Nordic wellness oasis, with a fantastic view of the water world, in a 1,000m² area above the 'Lumålunda' restaurant. Three saunas, with wonderful infusions, a steam bath, outdoor terraces and a varied culinary offer leave absolutely nothing to be desired. The 'KOTA Sauna Chalet' offers a slightly different sauna experience: Here guests can enjoy the proper sauna experience surrounded by rustic tables and seating, as well as a sauna oven, while enjoying a delicious wheat beer. In the relaxation area, the 'Hygge Sauna Bar' awaits exclusively the guests of 'Hyggedal'.

This year, Rulantica has added a very special place for those seeking some peace and quiet with exclusive day suites: The Rulantica Svits 'Nørd', 'Øst', 'Sør' and 'Vest' offer numerous amenities such as a sauna, a comfortable lounge area and a private loggia. The Rulantica VIP Svits 'Sørvind' and 'Vestavind' promise even more exclusivity. The two-story day suites also have high-quality furnishings, panoramic windows and private balconies.

Fun and enjoyment

If you book two nights at the Hotel 'Colosseo', 'Krønasår' or 'Bell Rock' and two days of admission to the Rulantica water world, you will receive the '2 for 1 offer' for the price of one night with one day of entry to Rulantica.

Parents bringing the kids can also benefit: with 'Kids for free', families can spend a day in the Rulantica water world after a wonderful overnight stay and a varied breakfast. During booking, up to three children (aged 4-11) who stay in the room receive the aforementioned services free of charge.
