

Dr. Auma Obama with Roland Mack in 'Studio78' in Europa-Park

# Dr. Auma Obama as a podcast guest on ‘The World Beyond – Michael Mack and his Emotioneers of Tomorrow’ from MACK One

April 2, 2024

On the English-language podcast ‘The World Beyond – Michael Mack and his Emotioneers of Tomorrow’, Managing Director of MACK One and Managing Partner of Europa-Park, Michael Mack looks at our world of the future every Friday alongside his Emotioneers. In the latest episode, Emotioneer Christina Rees, storyteller at MACK Magic, speaks with two high-profile guests: Dr. Auma Obama, sociologist and keynote speaker, and Roland Mack, owner of Europa-Park.

On the podcast with Roland Mack and Christina Rees, the sister of the 44th President of the United States, Barack Obama, speaks on leadership, hope and a better future. What contributions can be made in

making the world a better place and what does it mean to be a good “change-maker”?

“As a leader, you need to be trusted and you need to

trust the people you lead," says Dr. Auma Obama in conversation. She is an author, journalist and founder and director of the Auma Obama Foundation Sauti Kuu and has a clear understanding of how to create change.

Roland Mack, owner of Europa-Park, also provides podcast listeners with one of his own greatest lessons: "Try to make it better every day. Be prepared to learn new things every day. Be curious, be respectful and get up and work hard - otherwise you will not succeed."

Two inspiring personalities, together with podcast host Christina Rees, on the podcast 'The World Beyond – Michael Mack and his Emotioneers of

Tomorrow'. Available now on VEEJOY and wherever podcasts are available.

From the very start, the motto of the open-minded, future-oriented MACK company group has been "The wide world is my playground". This innovative focus has led to MACK One's exclusive English-language podcast featuring leading minds of the future. Every Friday at 12pm on [VEEJOY.de](https://veejoy.de) and on all common podcast platforms.
