

The spookily beautiful HALLOWinter season at Germany's largest theme park

The HALLOWinter season at Europa-Park offers these advantages

October 27, 2025

Once again, Europa-Park is going crazy in its 50th anniversary year, combining the colourful autumn season with magical winter moments from 3 to 28 November. The spookily beautiful HALLOWinter season at Germany's largest theme park offers various advantages.

During HALLOWinter, guests experience the best of two seasons

Unique atmosphere

During HALLOWinter, guests experience the best of two seasons. What makes it special is that Halloween slowly gives way to winter. This means that the theme park changes from day to day, making it worth visiting more than once.

Shorter queue times

HALLOWinter is considered a real insider tip for experiencing the attractions with shorter queue times.

Europa-Park is often less crowded during the week compared to the peak times of the summer, Halloween and winter seasons.

Special price and evening ticket

Europa-Park is offering a special ticket price during the HALLOWinter season. Guests can experience a mix of spooky fun and magical winter weeks from just €44.00 (day ticket, visitors aged 4 to 11) and €52.00 (day ticket, visitors aged 12+). Tip: From 4pm, you can enjoy the evening atmosphere at Europa-Park with an evening ticket for €31.50.
