March 25, 2026

The 2026 season is just around the corner and promises to be another exciting year at Germany's largest theme park. With over 100 attractions and shows, not to mention the traditional architecture and authentic cuisine, Europa-Park is the perfect place for all the family to enjoy together. And just a stone's throw away, Rulantica is also home to a unique water park offering fantastic indoor and outdoor fun all year round. A stay at one of Europa-Park's six 4* and 4* superior hotels or Silver Lake City is the perfect way to round off a short break at the resort.

Bienvenue, Monaco! Welcome, Sally!
In 2026, Europa-Park welcomes the Principality of Monaco as the park's 18th European themed area! Drawing inspiration from the Mediterranean and centred around the Silver Star roller coaster, the Monaco-themed area offers guests the chance to experience the country in all its splendour, with magnificent architecture, elegant marinas and culinary

highlights. An exclusive exhibition of cars from Prince Albert II's collection brings the glamour of the Riviera to Rust. Europe-Park has already been thrilling audiences with its Winter Circus Revue since November 2025, in close cooperation with the Monte-Carlo International Circus Festival.

Just in time for the start of the season, a new dining experience is also premièring at Europa-Park: Renowned food creator Sally is opening her very first café, Sally's Café, in the blue fire Dome, located in the Iceland-themed area. Guests can enjoy a selection of freshly baked cakes, coffee specialities and a few little surprises from Sally's collection.

Snorri is making a splash at the 4D Magic Cinema. Rulantica's feisty mascot is making his screen debut! The new 4D film invites audiences of all ages to join the popular Sixtopus as he dives into the ocean and sets off on an adventure. The daily show features vibrating seats, gusts of wind, spectacular sound effects and plenty of other surprises, ensuring a unique and unforgettable cinematic experience.

Western dreams in Silver Lake City
Howdy, adventurers! Silver Lake City is booming and is set to become a vibrant western town full of exciting highlights. Joining the log cabins, covered wagons and tipis will be the 119-room rustic Riverside Western Lodge, which is due to open in 2026. There will also be an in-house brewery brewing fresh Europa-Park beer, which guests can enjoy next door at the Wild Horse Bar. The legendary Silver Lake Saloon and the new Diner Station offer diners an array of culinary delights. Guests can enjoy mini golf at Gold Rush Golf and relax around crackling campfires, creating a Western atmosphere from morning until night. There's also plenty of action on offer from YULLBE GO in its new location, where visitors can experience state-of-the-art virtual reality in the heart of the Wild West.

A special project close to our hearts in Silver Lake City is the Europa-Park Children's House Little Heroes for young people recovering from cancer, which is being organised in cooperation with the RTL – Wir helfen Kindern e.V. (RTL – We help children) foundation.

Water fun all year round
Dive in and explore: At the Rulantica water world, visitors can enjoy unforgettable water fun all year round. Over 50 slides and attractions, including a huge wave pool, the Tønnevirvel water carousel and the Svalgurok Nordic outdoor slide world (open May to September) promise unlimited fun. Vikingløp, Europe's largest speed slide, also offers plenty of thrills. Visitors can also immerse themselves in the stunning volcanic landscape of the new Svømmepøl outdoor pool. The exclusive sauna and wellness area, with three saunas and a steam bath, has everything relaxation seekers could wish for.

Dreamy getaways at the Europa-Park Hotels
