

New attractions at Europa-Park in 2026

March 25, 2026

Europa-Park:

Monaco themed area

In 2026, Europa-Park welcomes the Principality of Monaco as the park's 18th European themed area! Drawing inspiration from the Mediterranean and centred around the Silver Star rollercoaster, the Monaco themed area offers guests the chance to experience the country in all its splendour, with magnificent architecture, elegant marinas and culinary highlights. An exclusive exhibition of cars from Prince Albert II's collection brings the glamour of the Riviera to Rust. Europa-Park delighted audiences with its Winter Circus Revue last winter season, in close cooperation with the Monte-Carlo International Circus Festival.

Sally's Café

Just in time for the start of the season, a new dining experience is also premiering at Europa-Park: Renowned food creator Sally is opening her very first café, Sally's Café, in the blue fire Dome, located in the Iceland themed area. Guests can enjoy a selection of freshly baked cakes, coffee specialities and a few little surprises from Sally's collection.

SNORRI 4D – Catch Me If You Candy

Snorri, the star of Rulantica, is conquering the big screen for the first time at the 4D Magic Cinema. In the new animated film SNORRI 4D – Catch Me If You Candy from MACK Magic, visitors of all ages can

immerse themselves in the mystical island of Rulantica and its mysterious underwater world, encountering its fantastic inhabitants like never before. With plenty of humour and impressive 4D special effects, it is sure to be a unique cinematic experience as part of the daily programme.

Europa-Park dining:

Enzo's Ice Cream Spghetteria

The former Pastaria di Enzo has been transformed into Enzo's Ice Cream Spghetteria.

Happiness Station Ireland

The Happiness Station has moved from the France themed area to the Ireland Children's World.

Mobile ordering

Europa-Park is expanding the digital ordering options available at its catering outlets. In addition to the self-order terminals, guests can now pre-order food and drinks via the Europa-Park & Rulantica app. They can select their desired pick-up time and pay conveniently in the app. The first outlets to offer this service are the CMAK snack bar in the Russia themed area and the Moby Dick snack bar in the Iceland themed area.

Europa-Park shopping:

German Allee

Work on the redesign of the large shop on German Allee has been continuing.

New shows at Europa-Park:

Wonderlab – Magic out of Control

In a futuristic laboratory filled with mysterious devices, floating objects and glowing experiments, Timothy Trust and Diamond are attempting the impossible. At the heart of it all is a mysterious machine with a pulsating dimensional portal that has

the power to bring inanimate objects to life. However, as the experiment grows, the lines between control, chaos and humour become increasingly blurred, creating a spectacular comedy magic show that is sure to amaze and amuse.

Other attractions at Europa-Park:

- A very special border has been created at Friethuys, inspired by the real and unique enclave situation in the Dutch municipality of Baarle-Nassau and the Belgian municipality of Baarle-Hertog.
- Various new slot machines in the arcades
- Renovation of part of the waiting area of the Castello dei Medici
- Modernisation of rest and recreation rooms for bus drivers

Silver Lake City:

Riverside Western Lodge (from 18. June 2026)

In June 2026, the Riverside Western Lodge will open with 119 family rooms and a sauna area. The hot dog snack bar "Grandpa Will's Hot Dogs" and the ice cream parlour "Cold Rush Western Ice Creams" will also be added. There will be a new shop combining a traditional store with a 24/7 self-service area. In addition, a permanent YULLBE Go location will be set up. Several gaming locations, including a 40-square-metre arcade, will further enhance the range of attractions on offer. In addition, there will be the "Silver Lake Brewery" serving home-brewed Silver Lake Brew beer, as well as a chapel, a bicycle rental service offering e-mountain bikes and new sanitary facilities for caravans.

Europa-Park Caravaning

All 219 pitches at Europa-Park Caravaning have been equipped with electricity and water connections.

Little Heroes Children's House

A special project close to our hearts that will be opening in Silver Lake City at the beginning of July is the Europa-Park Little Heroes Children's House for young people recovering from cancer, which is being organised in cooperation with the 'RTL – Wir helfen Kindern e.V.' foundation.

Rulantica water world:

- The new outdoor shop, 'Bubba's Butikk', replaces 'Strandhus Svalgur' and 'Snorri's Piknikbud'. From bath slippers, caps and sunglasses to sun cream, sweets and toys, there's something for everyone's holiday bag. Refreshments are also available: coffee drinks, slushies and refreshing non-alcoholic drinks invite you to take a short break.

- New content for the underwater attraction "Snorri Snorkling VR" (later this year)

Stay overnight & enjoy:

Ammolite – House of Light

The fine dining restaurant "Ammolite – House of Light" has held two Michelin stars since 2014 and will be presenting itself in a new light in 2026. As part of a comprehensive rebranding, Ammolite has undergone further development to include a new, separate entrance, a walk-in wine cellar, and a modern design concept. Head chef Peter Hagen-Wiest focuses on modern, European-inspired fine dining cuisine with a down-to-earth approach. His passion for his craft, meticulous attention to detail and precise approach form the basis of a menu that consistently sets new trends.

Hotels:

Hotel 'Krønasår'

The youngest guests at Bubba Svens restaurant can now enjoy a children's cinema. From 6 p.m., special short films with creative and entertaining stories will be shown. A small park area has also been created on the site of the former YULLBE centre.

Hotel 'Santa Isabel'

Both the standard and deluxe rooms now have new box-spring beds.

Hotel 'Colosseo'

The Palladio Suite is currently being redesigned and renamed the Claudia Cardinale Suite, in homage to the legendary Italian actress.

Miscellaneous:

- Redesign of the two-star Ammolite – The Lighthouse Restaurant

- New employee restaurant at Europa-Park (autumn 2026)
