

# The Board & Executive Committee of Tivoli Gardens visit Europa-Park Resort

April 21, 2026

On 13 April 2026, the Board & Executive Committee of Tivoli Gardens, together with the amusement park's CEO, CFO, and COO, visited the Europa-Park Resort to seek inspiration

As well as experiencing the multisensory world of enjoyment at Eatrenalin, they also visited Europa-Park and MACK Rides, the rollercoaster manufacturer based in Waldkirch. Opened in 1843, Tivoli Gardens is considered one of the oldest amusement parks in the world and has long been renowned for the combination of entertainment, atmosphere, and exceptional guest experiences. It was therefore all the

more special for the Mack family, owners of Europa-Park, to welcome representatives of such a long-established and internationally renowned park to Europa-Park. During the extraordinary culinary journey, it once again became clear how impressively top-level gastronomy can be combined with state-of-the-art media technology, emotional storytelling, and immersive sensory impressions.
