

A spookily wonderful HALLOWinter season at Europa-Park

October 30, 2026

Snow-covered fir trees and colourful chrysanthemums line the path, whilst the scent of freshly roasted almonds mingles with that of delicious pumpkin soup – from 2 to 27 November 2026, Germany's largest theme park is going wild, bringing together two seasons at once. HALLOWinter combines the best of the colourful autumn season with magical winter moments, offering its visitors a truly unique experience.

Colourful leaves or plump snowflakes? Witches or Father Christmas? Pumpkins or almonds? The HALLOWinter season is ideal for guests who can't make up their minds and want to experience an extraordinary combination. Once again, Europa-Park is combining variety with attention to detail this time of year, showcasing this through an attractive and innovative range of attractions for all the family.

Guests of all ages can look forward to a varied programme of shows and over 100 attractions. On sunny autumn days, they can cool off on the water coaster 'Poseidon' or feel the wind in their hair on the multi-launch coaster 'Voltron Nevera powered by Rimac'. But even on dreary winter days, visitors can enjoy thrills and fun. In the new Monaco themed area, visitors can explore the principality indoors. On the

interactive 3D family attraction 'GRAND PRIX EDventure', guests join Ed & Edda's racing crew and must demonstrate teamwork and skill. Snorri, the star of Rulantica water world, has taken the 'Magic Cinema 4D' by storm: In 'SNORRI 4D – Catch Me If You Candy', both young and old can immerse themselves in the mystical island of Rulantica and its mysterious underwater world and fantastical inhabitants in a way never seen before. On 'Voletarium', visitors can fly over Europe and discover the continent. The 'Feria Swing' and 'Koffiekopjes' attractions have been transformed into the 'Flight of the Vampires' and the 'Griezelkopjes' with spooky décor and eerie music. YULLBE offers interactive virtual reality experiences in the 'blue fire Dome'.

From 30 October 2026 to 9 January 2027, over 60 works by the internationally renowned artist James Rizzi will be on display in the Croatian themed area as part of the 'Art in the Park' series. Entitled 'James Rizzi meets Rollercoasters', the exhibition draws on key themes from Rizzi's body of work and combines them with the unique atmosphere of Europa-Park.

Breathtaking shows & tasty treats

The numerous shows are also the perfect way to warm up. At the Globe Theater, guests can enjoy the brand-new show 'Crazy Christmas – A Magical Gift-Giving' several times a day from 11 to 15 November. On the ice, 'Surpr'Ice presents The Vampire Circus on Ice', which will thrill audiences with its breathtaking figure skating. The Italian open-air stage will transport you to an eerily beautiful world with 'Venezia Macabra', while 'Limerick Bubbles' and the puppet horror musical 'Bone Sound' at Limerick Castle ensure a varied programme. With everything from impressive acrobatic feats and a variety of dance and singing performances to humorous sketches and spectacular magic acts, there is something for every guest. At Lake Europe, 'Hellfire Fountains' sets the stage for a spectacular fire-and-water show. In the French themed area, the fascinating 'Miraculeux' mapping show is also sure to delight.

After all the adventures, anyone needing a bite to eat can enjoy a wide selection of delicious treats at one of the park's 60 or so eateries. Creamy pumpkin soup and the ever-popular Halloween burger sit alongside winter favourites like tender venison goulash and tasty Christmas biscuits. To top it all off, mulled wine, punch and other delicious hot drinks will warm you right through. Guests can savour Asian specialities at the exotic 'Bamboe Baai', sample dishes from around the globe at 'SPICES – Kitchens of the World', or enjoy the cosy, Nordic-style lounge at 'Kaffi Hús' with a delicious coffee and cake. Those keen to embrace the winter spirit can enjoy a cup of mulled wine during HALLOWinter.
